Ultra slim glass texture switch

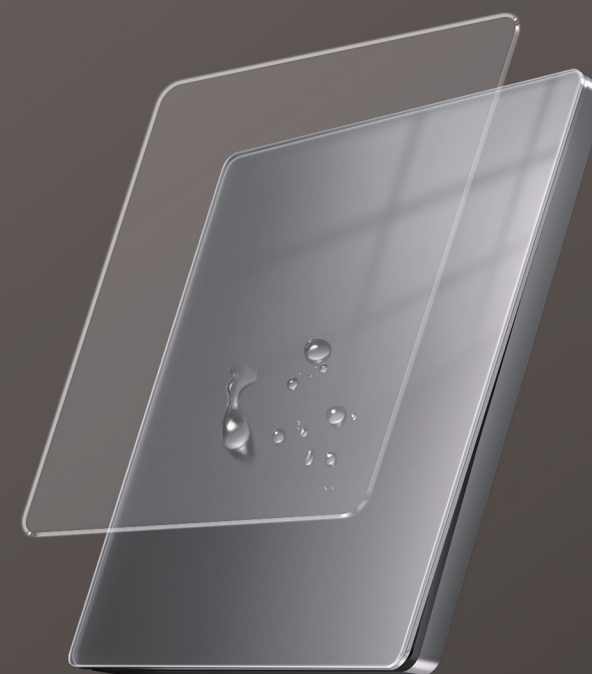

- Matte White ● Cream White
- Matte Black ● Grey

Easy to maintain Easy to clean with a simple wipe

- Oil stain ● Fingerprint ● Scratch ● Crystal Glaze Protective Layer ● Non-yellowing

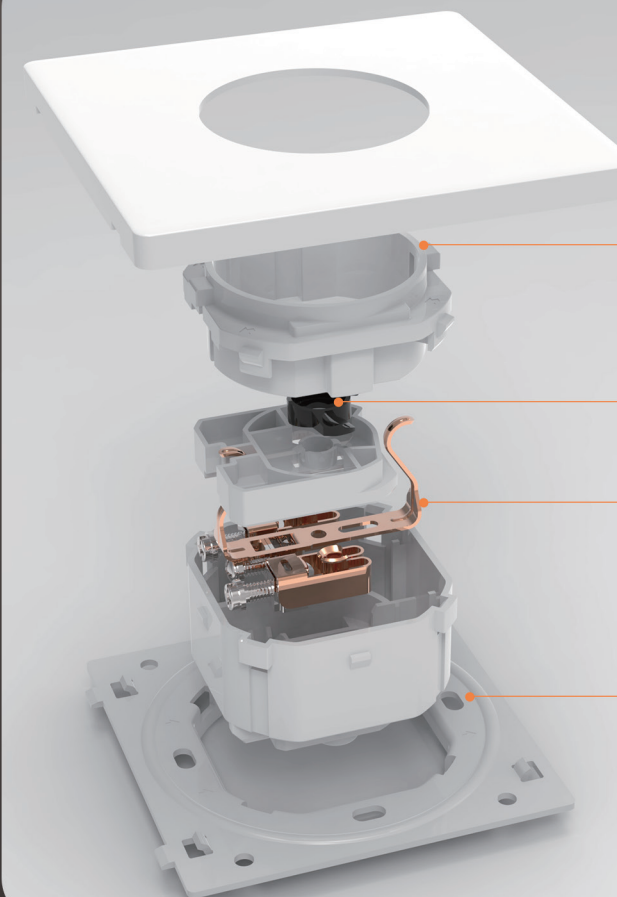

Large capacity U shape terminal

Accommodate 4 x 2.5² wires
or 3 x 4² wires, or 1 x 6² wire

Switch-resistant plug in&pull out-resistant

44000 times switch on&off test
12000 times socket
plug in&pull out test

- **Flame-retardant PC plate**
UV-resistant, high flame-resistant, anti-aging
- **Socket Child Safety Cover**
- **Copper**
Integrated one-piece formed
Superior conductivity and excellent elasticity
- **1.5mm steel bracket**
1.5mm thickened, long-lasting and durable

Inbow Dus

Parallel installation of multiple junction boxes

Seamless Joint

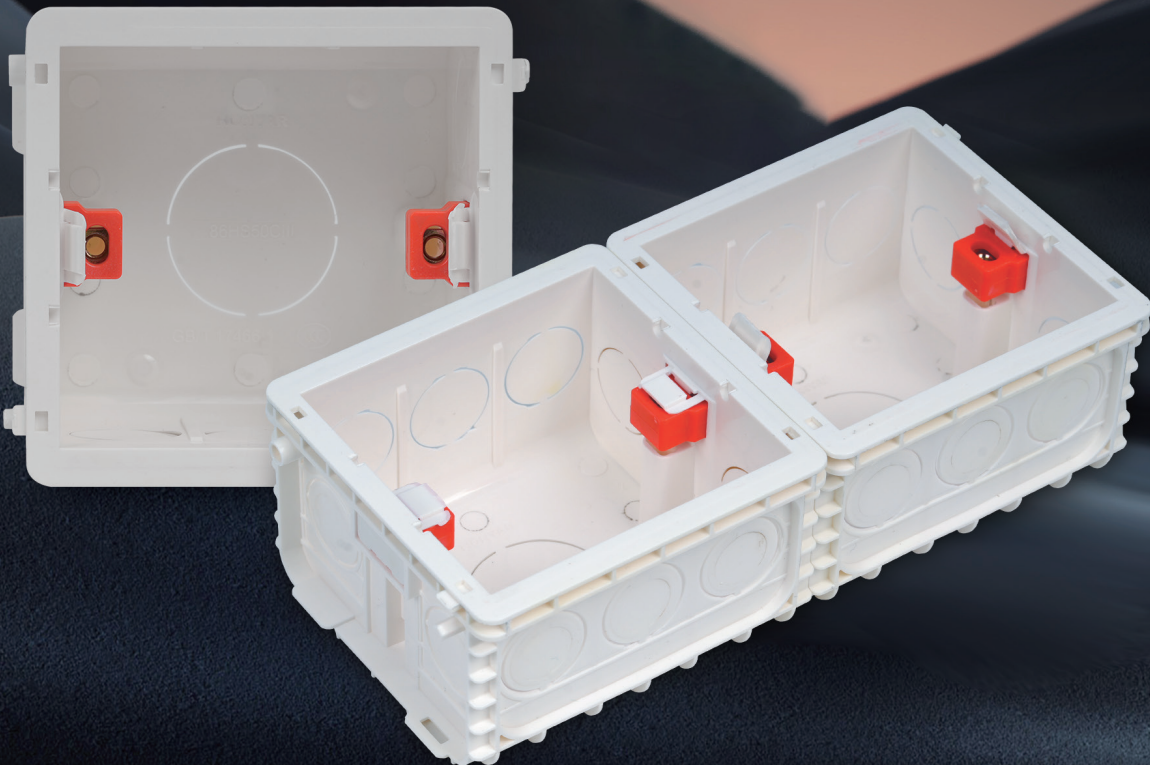

Nut-Type Ear

Humanized Details

Product Certifications

- ▶ Multiple knockouts (top and bottom six positions each) to meet multi-wiring requirements
- ▶ Six-point fixed positioning for secure and stable assembly without shaking
- ▶ Seamless splicing for a more aesthetically pleasing overall effect
- ▶ Mudguard plate protects screw holes from being blocked by mud when the bottom box is installed into the wall
- ▶ Reinforced all-around ribs for high box compression resistance
- ▶ Screw wire guard column prevents contact between screws and wires, ensuring no wire compression during installation and protecting cables from screw damage
